Importance: High

Thanks for the heads-up, John.

I drafted this Bay Delta briefing paper for your consideration, and I'm copying the Bay Delta Team.

I'll be in Sacramento on Tuesday at a Directors' meeting of the IEP, but I'll be back Wednesday and can incorporate comments from you and our colleagues in WTR and ERO. Tim

See attached examples of issue papers prepared by Region 2. I expect we'll hear from Jane about this tomorrow. Based on the discussion at today's SMT, apparently the topics to be covered here are supposed to be issues that may be raised during the SMT's roundtable meeting with Bob P next Thursday.

Dear SMT – as you know from today's meeting, Bob Perciasepe plans to visit our Hawthorne Street Office next Thursday, September 26 in conjunction with a speaking engagement in SoCal the following day.

In preparation for his visit, Bob has requested Hot Issue papers, 3-5 topics per division. Attached as a guide are Hot Issue papers recently prepared by Region 2 using the format Bob prefers.

In order to meet the HQ deadline, please submit all papers to me, cc to Abi and Zoe, NLT cob Wednesday, September 18.

-

You also heard that Bob would like to meet with the SMT team while he is here in the office on the 26th. The meeting would include the opportunity to discuss the issues you've raised in your submittals.

As of today, the SMT meeting with Bob is tentatively scheduled from Noon to 1:15 pm on the 26th. Please mark your calendars and plan to attend if possible. We'll send out final confirmation, together with Bob's full agenda, as soon as possible.

Please let me know if you have questions. Thanks much.
